

My Haunted Dream

Lyrics/music by Leonid Safro.

(Acoustic version to be recorded Q1 2014)

Verse 1:

Lost and found in my sleep
By imaginary heroes,
A mistake I will repeat
Just like looking in a mirror.

Looking deep into my soul,
I will try to find some answers.
An imaginary goal:
"Find a flame that's lost in glances."

Chorus:

Search,
I stare into mirrors,
As I search,
But I can't find myself.

I'm lost.
Mirages disappear
As I'm lost,
Or hiding from regret.

Verse 2:

Static, I can't move a thumb,
Tied by chains I cannot, cannot.
Hear that melody I hum?
I'm alone in a haunted manor.

Ghost of the forgotten past,
He can show the manor's attic,
Where I sit and where I must
Find the past that's now static.

Chorus:

Search,
I stare into mirrors,
As I search,
But I can't find myself.

I'm lost.
Mirages disappear
As I'm lost,
Or hiding from regret.
